

Instructions

Find the Words:

- Look at the list of words next to each puzzle. These words are hidden in the grid of letters.

Circle the Words:

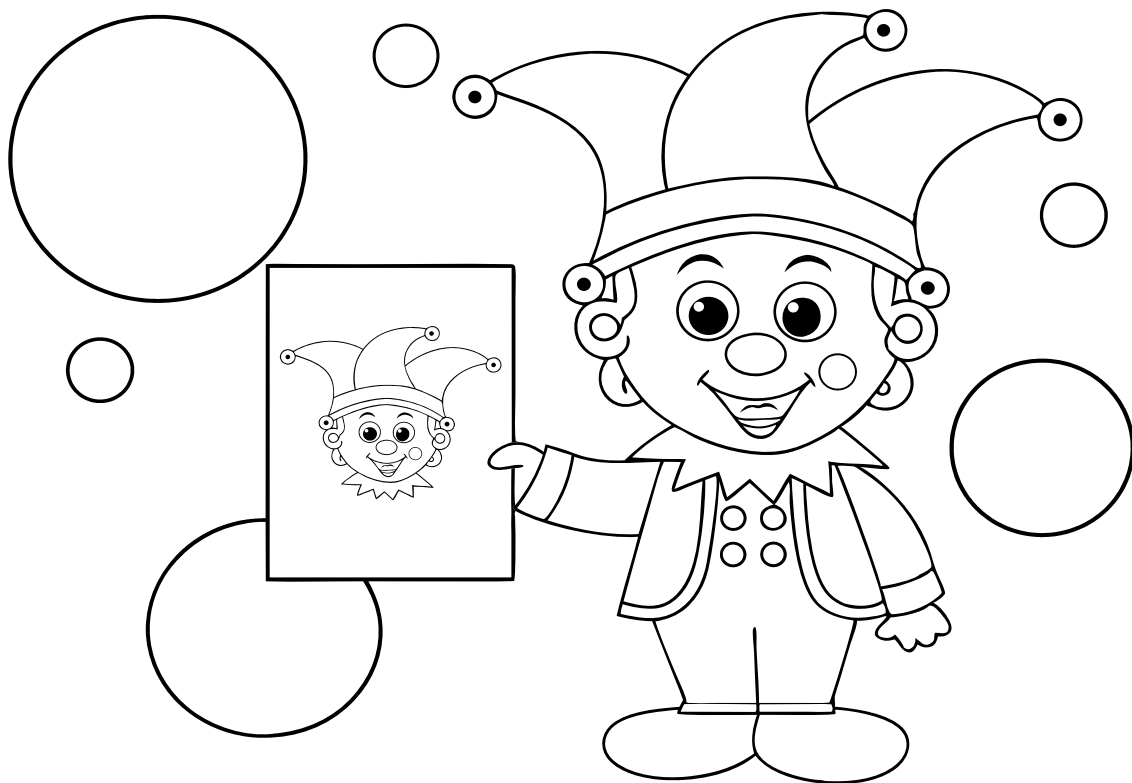

- Use a pencil or marker to circle each word as you find it. Words can be hidden in any direction – horizontally and vertically.

Check Off the List:

- Once you find a word and circle it in the puzzle, check it off the list.

Finish the Puzzle:

- Keep searching until you have found and circled all the words in the puzzle.
