Activity: CVC Word Sentences Fluency Read and Color Practice

- Each page contains sentences with CVC (consonant-vowel-consonant) words for reading practice.
- Read each sentence carefully to build fluency and improve your reading skills.
- The sentences include CVC words along with common sight words.
- After reading the sentences, find and color the picture on each page that matches what you read.

Practice Pages:

Individual Word Families: Some pages focus on specific word families, where all the sentences contain words from that particular word family.

Mixed Practice Pages: Other pages contain mixed practice with sentences from different short vowel word families.

Use a pencil or crayons to color the pictures. Be creative and make the pictures vibrant and engaging.

Take your time while reading each sentence to ensure understanding and accuracy.

Pay attention to the CVC words and practice sounding them out.

Enjoy the process of reading and coloring the pictures that go along with the sentences.
