

Materials:

Worksheet Size: 8.5" x 11"

Worksheet Type: Portrait

- Pencil or pen
- Scissors (for cut/paste activities)
- Glue (for cut/paste activities)
- Crayons or markers (for coloring activities)

Instructions:

A pocket chart or sorting cards (in color and black/white) to use when sorting and comparing sizes. Assessment activities are included in cut/paste form to use at the end of the unit.

Ordering by Capacity Headers:

Greatest to Least

Least to Greatest

There are 9 sorting cards with 6 pictures on each page. All ten pages can be used for sorting by capacity.

Sorting by capacity comparison:

Holds more than a pail

Holds less than a pail

Student Assessment Pages:

- Ordering worksheets (cut/paste) from greatest capacity to least capacity (two versions)
- Comparing capacity ("Color or circle the item that has a greater capacity.")
- Sorting activity (cut/paste) in comparison to a pail of water "Holds more than a pail" and "Holds less than a pail."
