Sight Words Word Work and Fluency Worksheet

Page Size: 8.5"x11" (portrait)

Tools Needed:

Pencil

Eraser

Worksheet Pages (total of 60)

Instructions:

Prepare your pencil and eraser for the worksheet.

Each page of this 60-page

worksheet focuses on a specific sight word.

Read the sight word provided at the top of the page.

Practice reading the word in the context
of a sentence or short passage.

Write the sight word multiple times on the lines provided.

Pay attention to proper letter formation and neat handwriting.

Review any previously taught sight words included on the page.

Complete the activities on each page, one sight word at a time.

If you make any mistakes, use the eraser to correct them.

This worksheet combines word work and fluency
practice for a comprehensive learning experience.

Enjoy the cumulative review and gradual progression of
sight words in a logical order.

This is a no-prep worksheet,

ready for you to print and start practicing sight words!

Work through all 60 pages to strengthen

your sight word recognition and writing skills.
